Notice of Proposed New Local Rule

The Circuit and Superior Courts of Grant County, Indiana ("the Courts") give notice of their intention to add LR-27 TR 63-1 to the Local Rules of Practice and Procedure in the Circuit and Superior Courts of the 48th Judicial Circuit Grant County, Indiana ("the Local Rules").

Pursuant to Ind. Trial Rule 81(D), the Courts find that there is good cause to deviate from the schedule established by the Division of State Court Administration ("STAD") for the adoption of new local rules.

The Clerk of Grant Circuit Court ("the Clerk") is directed: 1) to post the proposed rule in the Clerk's office; 2) to post the proposed rule on the Clerk's website; 3) to issue a copy of the proposed rule to each member of the Grant County Bar Association; and 4) to forward a digital copy and a paper copy of the proposed rule to STAD for publication on the Indiana Judicial Website.

Comments regarding the proposed rule may be submitted to the Clerk and/or to STAD for at least thirty (30) days after the proposed rule has been posted. This comment period ends on March 1, 2016.

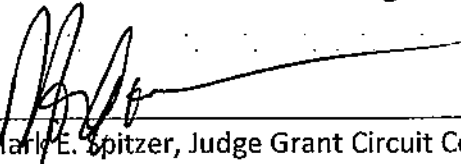

The Courts will approve the final version of the proposed rule on or after March 2, 2016, at which time the Clerk will be directed: 1) to file the final version in the Record of Judgments and Orders; 2) to publish the final version on the Clerk's website; and 3) to transmit the final version in digital and paper format to STAD for posting on the Indiana Judicial Website.

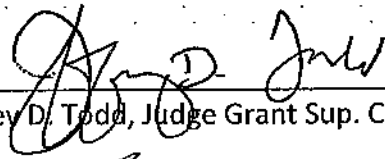

The proposed new rule is intended to formalize the long standing practice of the Courts of assisting one another, the Gas City City Court, and the Marion City Court as needed. This practice is consistent with: 1) Ind. Trial Rule 63(A); 2) Ind. Code § 33-33-27.3-11, which applies to Grant Superior Court 3; 3) I.C. § 33-29-1-10, which applies to counties with standard superior courts; and 4) I.C. § 34-26-1-3, which deals with restraining orders and injunctions.

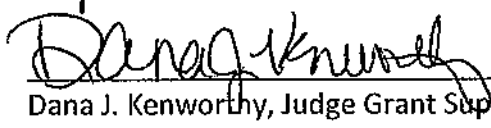

The proposed new rule is not being submitted to the Indiana Supreme Court for approval because it does not affect the selection of special judges in civil cases; nor the assignment of criminal cases and the selection of successor judges; nor court reporter services; nor case reallocation plans.

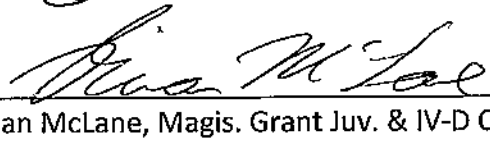

The effective date for the final version of the new rule is expected to be March 15, 2016.
